

FIRST, A QUESTION: What is sex?

WHAT IS SEX?

- It's playful and fun.
- It's raunchy and radical.
- It's loving and magical.
- It's silly and sweet.

And, for the purposes of this game,
we suggest that "sex" **does have to be consensual**,
and **does not have to be penetrative**,
or **include an orgasm**
(unless otherwise specified).

THE F'ING RULES

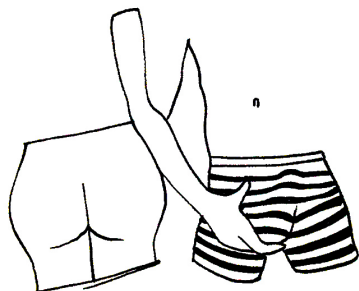

- Each player starts with a F'ing board and a pen.
- Players take turns drawing a card from the top of the deck, reading the number shown on the card, and asking one of the two questions on that card.
- All players who answer "yes" to the question asked (including the asker) can cross off the corresponding number on their board, if their board includes that number.
- Story Cards can be answered by all players who are inspired to respond to the given prompt.
- Any player who tells a story can cross off any one of the "F'ing story" squares on their board.
- The first player to get five crossed-off squares in a line (vertical, horizontal or diagonal) is the winner, and is officially declared The F'ingest!

THE F'ING SUGGESTIONS

- Although discussing your answers is not required, it is more fun.
- If a question is asked that you really want to answer, but your board doesn't have that number, answer it anyway.
- If you feel that you need more validation for your achievement, ask another player to give you a pat on the back.
